Progress in Physical Education

Dear Parent/Carer

I writing to inform you how pleased I am with the progress that [NAME] is making within Y9 GCSE PE.

[SHE/HE] has made a[n] [EXCELLENT / VERY GOOD / GOOD] start to the course. [NAME] has shown that [HE/SHE] is committed to achieving the best grade possible by applying themselves fully to both the theoretical and practical elements of the course.

Within the theory lessons, [NAME] has shown that [SHE/HE] can produce written work of a very good GCSE standard. [SHE/HE] makes perceptive contributions in lessons and is already developing good understanding of the content currently covered and has started to develop brilliant exam writing techniques.

In the practical elements, [NAME] has developed a good skill base and is able to apply this effectively in a performance situation. [NAME] is also becoming more tactically astute and is able to adapt [HER/HIS] own performance to maximise results.

[NAME] has made an excellent start and with continued effort and attention to detail [HE/SHE] will continue to make good progress.

Yours faithfully

Miss D Brooks
