## GCSE Maths Intervention

Dear Parent/Carer

Darton College is committed to ensuring that learners achieve their full potential in all subject areas. We are constantly monitoring the progress of learners to ensure that they remain on track, maximising their chance of achieving their predicted GCSE grade or above.

While effort in class is generally good in Maths, your child requires additional support to make further progress. Weekly after-school intervention sessions will take place for one hour on Mondays and Thursdays, commencing tomorrow, **5th October 3.30pm-4.30pm**. We would like your child to attend both sessions to optimise their success in Maths. These will be on-going up until the final examinations.

Should you have any questions regarding the above information or if your child is unable to attend the weekly sessions, please do not hesitate to contact me or your child's Maths Teacher.

Yours faithfully

**Mrs L Orme**  
**Maths Curriculum Team Leader**
