National Lottery Anti-Social Behaviour Initiative

Dear Parent/Carer

I am delighted to inform you that we have successfully obtained some funding from The National Lottery to undertake an initiative based on anti-social behaviour.

The project will involve a small group of boys from all year groups, who will participate in several workshops delivered by outside professionals. As part of this, the boys will produce a preventative film which will help to encourage young people to make the right decisions in life. The film will be shared with groups across Barnsley as well as being accessible to YouTube and social media. The project will take around nine months to complete.

In addition to the series of workshops, the boys will also visit a Young Offender Institution and a court to listen to real life stories. This will help them to understand complex issues and recreate scenes from their discoveries during film making. They will also work with others in the community to help increase their personal skills, confidence and self-esteem.

The Young Offender Institution visit will be held at HMYOI Wetherby which will take place on Friday 10th November. School transport will be provided via the Darton College mini bus. This will leave at 9.30am and will return at 3.30pm. Learners will be required to bring a packed lunch. Alternatively, learners may pre-order a grab a bag from school which will be handed to them prior to setting off. For the visit your son will need to bring some ID such as: a passport or birth certificate. Full school uniform will need to be worn.

If you are happy for your child to participate in the project, I would be most grateful if you could complete the permission slip below and return this to the Admin/Finance Office no later than **Friday 20th October**.

Should you wish to contact me to find out further information about the project, please do not hesitate to contact me via email: npowell@dartoncollege.uk

Yours faithfully
