Moving up to Darton College – Year 6 Open Evening 2017

Dear Parent/Carer

I am delighted to welcome you and your son/daughter to Darton College - an exciting place to learn. Our mission is to support and encourage all learners to aspire to be the best they can, both socially and academically.

This evening, we aim to share with you a flavour of what Darton College has to offer. This includes: curriculum subject information, our extra-curricular offer, enrichment provision and opportunities to explore our exciting facilities and learning environments.

At Darton College, we understand the importance of making the right choice of secondary school for your son/daughter and we hope that you will find tonight both helpful and informative. Inside this information pack is a new school prospectus as well as a location guide. Our Darton College team of learners and staff are on hand to meet you and your family to answer any questions or concerns that you may have.

I hope that you have an enjoyable evening and I look forward to personally meeting with you.

Yours faithfully
