Tour De Yorkshire Information - Friday 4th May 2018

Dear Parent/Carer

I am sure you are aware that Barnsley has been selected to be the starting town for the Tour De Yorkshire on Friday 4th May 2018. As a result of the event, there will be a number of rolling road closures and amendments to public transport services throughout the day.

As Darton College will be open as normal, we advise learners, parents and carers to be aware of the expected disruption to the roads and public transport and to plan their journey to and from school accordingly. Further information can be found on the Barnsley Council website:

<https://www.barnsley.gov.uk/media/8044/tour-de-yorkshire-road-closures-040518.pdf>

Recognising the disruptions, it may mean that some learners wish to arrive earlier than usual. The school building will be open from 7.00am. There will also be breakfast served from 7.30am in the Atrium for anyone who arrives early. Lessons will commence at the normal time.

We have been informed by Stagecoach, Globe and Arriva that all our bus services will be running including the 488 leaving the Barnsley Interchange at 08.05am. However, there will be some unavoidable delays during the morning and afternoon services. We recognise that some learners will arrive at school late and this will be recorded appropriately so not to disadvantage any individual attendance records.

Staff will remain in school until all learners have been able to make their way home.

Thank you for your continued support.

Yours faithfully

Ms K Davies
Principal
